Re: Docket No. 2008-0273: In the Matter of the Public Utilities Commission Instituting a Proceeding to Investigate the Implementation of Feed-in Tariffs.

Dear Chairman Caliboso and Commissioners:

For all eight panels, Mr. Lee Jakeway will be the principal witness/expert for Alexander & Baldwin, Inc. through its division, Hawaiian Commercial & Sugar Company ("HC&S"). I will be available as a witness/expert in the event this is necessary or appropriate.

HC&S suggests that the question of whether or not existing Independent Power Producers with an existing contract with the HECO Companies should have the option of opting into a FiT program, if such a FiT program is implemented by the Commission, should be added to the Commission's proposed decisions, as set forth in Exhibit A of the Order Establishing Hearing Procedures.

Very truly yours,

Sandra-Ann Y.H. Wong
